

How much does SPARTAN cost?

SPARTAN fares are based upon distance traveled, locations served, and the type of service used. Contact the SPARTAN office for the fare for your specific trip. SPARTAN services are supported in part by Federal and State grant funding which helps to keep the service affordable to everyone. By using public transportation, you save money on gas and car maintenance. By sharing the ride with others, you are also helping the environment.

You can save even more money by purchasing a pre-paid pass. And, SPARTAN now accepts secure online credit card payments. Passes purchased online can be picked up at our Levelland office or mailed within 2 business days.

Passenger fares must be paid for all trips. Individuals who qualify for one of the following federal or state programs may qualify to have their fare fully or partially subsidized by one of the following: Medicaid, WIC, Family Planning, Choices, TANF, WIA, Senior Companion, Victims Assistance Programs, Texas Rehabilitation, CEAP, Community Services Block Grant, South Plains Rural Health Services

SPARTAN Services

Call SPARTAN at 1-800-462-8747 or 806-894-3800 for more information on availability of and fares for any of these services in your area.

- **SPC Express Commuter Service** - SPARTAN offers express scheduled service to and from SPC Levelland & Reese campuses. See back page for information.
- **Scheduled Route Service** - Scheduled route service is available Monday through Saturday. Scheduled route service provides trips on shared-ride vehicles that have usual, customary travel paths -- one town to another, or from designated points in town to predetermined drop-off sites within the town. To use scheduled route service, call SPARTAN at least 24 hours in advance (and no later than 3 p.m. the day before your trip is needed), because these routes only run if a customer requests service. Customers can subscribe to scheduled route service for regular standing-order trips, which is a great option for commuting to and from work.

- **Curb-to-Curb Service** - If the scheduled route service doesn't travel where you need to go, SPARTAN's personalized demand-response service may meet your needs. Demand-response service is available on designated days and times in specified counties of our rural transit district. Curb-to-curb service is the standard level of service, with door-to-door service available upon request for elderly persons and individuals with disabilities.
- **Medical Transportation** - SPARTAN is an approved contractor to provide non-emergency medical transportation services for Medicaid-approved trips in 17 counties. Medicaid clients are encouraged to call SPARTAN to check scheduled routes and then call 1-877-633-8747 to obtain a confirmation number from Medicaid. Once Medicaid authorizes transportation, the client should call SPARTAN to reserve their seat.
- **School Tripper Routes** - SPARTAN provides rural bus service to students who live outside the normal bus routes of Sundown, Brownfield, Littlefield, and Levelland.
- **Recreational Service** - SPARTAN can take you to and from the library, the mall, to go shopping, and other recreational destinations.

All passengers must make reservations at least 24 hours in advance for scheduled route service, curb-to-curb service, and Medicaid transportation. Reservations are honored on a first-call, first-served basis based on availability of a driver and vehicle. At the time the trip is requested and confirmed, passengers are given a pre-determined pick-up time. SPARTAN strives to pick up passengers within 15 minutes of their scheduled time.
